

DN-20 - LS Crossover Network

2-way crossover network for 8 Ohm

- For hi-fi applications
- Ideal in combination with high-quality speakers

Tekniset tiedot:

| | |
|---------------------|---------------------|
| General Information | : 2-way |
| Output impedance | : 8 Ohm |
| Crossover frequency | : 2,000 Hz |
| Slope/oct. | : 12 dB |
| Max. input power | : 300 W |
| Dimensions | : 125 x 35 x 120 mm |
| Weight | : 0.552 kg |
