

SIA-548ROHS - Soldering Iron

Replacement soldering iron, 48 W,
especially suitable for lead-free soldering according to EU directive (RoHS).

- Suitable for soldering stations SIC-520ROHS and SIC-530ROHS
- Fitted with 5-pole DIN plug
- Matching replacement soldering tips: SIT-501ROHS, SIT-503ROHS, SIT-504ROHS, SIT-505ROHS

Tekniset tiedot:

Description	: replacement soldering iron, RoHS
Nominal value	: -
Type	: 48 W
Colour	: blue, white
Material	: -
Suitable for	: soldering station SIC-520ROHS, SIC-530ROHS
Power supply	: -
Admiss. ambient temp.	: 0-40 °C
Dimensions	: -
Length	: -
Mounting dimensions	: -
Weight	: 125 g
Connections	: 5-pole plug
Other features	: -
Packing unit	: 1
