

## MSC-202/SW - Speaker Cable

Speaker cable  
"HIGHLY FLEXIBLE"

- Fitted with NEUTRIK SPEAKON plugs NL-4FX
- Highly flexible cable material

## Tekniset tiedot:

|                        |                                   |
|------------------------|-----------------------------------|
| Intended use           | : speakers                        |
| Connectors             | : 2 x NEUTRIK SPEAKON plug NC-4FX |
| Cable specification    | : -                               |
| Length                 | : 2 m                             |
| Colour                 | : black                           |
| Cable diameter         | : -                               |
| Metre marking          | : -                               |
| Minimum bending radius | : -                               |
| Shielding              | : -                               |
| Shielding value        | : -                               |
| Impedance              | : -                               |
| Attenuation            | : -                               |
| Capacitance            | : -                               |
| Power rating           | : -                               |
| Rated current          | : -                               |
| Internal conductor     | : 4 x 2.5 mm <sup>2</sup>         |
| No. of cores           | : 4                               |
| Material               | : -                               |
| Packaging              | : -                               |
| Weight                 | : 0.481 kg                        |
| Position               | : -                               |
| Special feature        | : -                               |
| Other features         | : -                               |
