## Tekniset tiedot:

|                              |                             |
|------------------------------|-----------------------------|
| Power rating                 | : 18 W                      |
| Luminous colour              | : warm white                |
| Colour temperature           | : 3,000 K                   |
| Luminous flux                | : 1,550 lm                  |
| Luminous intensity           | : -                         |
| Energy efficiency class      | : A+                        |
| Fitted with                  | : -                         |
| Dimmable                     | : yes                       |
| Beam angle                   | : 120°                      |
| Colour rendering index (Ra)  | : ? 80                      |
| Rated life                   | : 30,000 h                  |
| Switching cycles             | : ? 15,000                  |
| Base                         | : -                         |
| Protective class             | : IP20                      |
| Power supply                 | : &acd; 230Â V/81Â mA/18Â W |
| Energy consumption/1,000 h   | : -                         |
| Operating voltage            | : &sim; 230 V               |
| Power consumption, operation | : 18 W                      |
| Current consumption          | : 81 mA                     |
| Mounting cutout              | : Ã~ 60-185 mm              |
| Mounting depth               | : -                         |
| Dimensions                   | : Ã~ 215 mm x 13 mm         |
| Width                        | : Ã~ 215 mm                 |
| Height                       | : 13 mm                     |
| Depth                        | : -                         |
| Length                       | : -                         |
| Weight                       | : 0.48 kg                   |
