

DNL-1245 - LS Crossover Network

Bass 2-way crossover network for 8 Ohm for PA

- Highest power rating
- Film capacitors
- Transformer core coil
- Frequency and slopes typical for PA
- Extendable

Tekniset tiedot:

| | |
|---------------------|----------------------|
| General Information | : PA - sub/sat mono |
| Output impedance | : 8 Ohm |
| Crossover frequency | : 200 Hz |
| Slope/oct. | : B: 12 dB /MH: 6 dB |
| Max. input power | : 600 W |
| Dimensions | : 140 x 60 x 135 mm |
| Weight | : 1 kg |
